

*Pacific Northwest Reps: Those newly-approved Oregon tax measures are now in effect ... and they're the subject of ERA's next **FREE** program event —*

WHAT OREGON'S NEW TAX MEASURES MEAN FOR YOU

Monday, March 8th — 5:30 - 7:00 p.m.

*Stockpot Broiler Restaurant, 8200 SW Scholls Ferry Road, Beaverton, OR
5:30 p.m. – Networking • Complimentary Beer, Wine and Hors d'oeuvres
6:15 p.m. – Program Presentation (including Q&A)
Guest Speaker: Ken Gustafson, CPA*

No one likes to think about or deal with (or pay!) taxes ... but the reality is that Oregon's ballot measures 66 and 67 have been approved **retroactively to 2009**. That means there are changes that could affect your 2009 personal AND corporate tax returns.

So ERA's upcoming program features an expert who can help you unravel the details of these new measures and understand how they impact you and your firm. Tax strategies for today and future tax planning will also be covered. Don't miss this opportunity to gain some timely, valuable and FREE advice.

There is **NO CHARGE** for Pacific Northwest ERA members for this event, and non-members are welcome for a cover charge of only \$10 per person. Feel free to invite guests to join you, but **please make advance reservations ASAP and no later than MARCH 4th**.

To **REGISTER** for this program, please e-mail the names of your attendees to Phil Duerfeldt at phil@duerfeldtengineering.com.

QUESTIONS? Please call Phil at 503-620-3552 or Tom Enfield at 503-880-8555.
